Dear Sirs,

I am writing as your very downhearted next door neighbour to inform you that you left us devastated with the news that you had lied to us.

Regularly, we would tell you that you could come over to our house. We would give you lots of food to eat and a comfy bed to sleep in. Every day, we would listen to your ^{sp} storys. Unfortunately, now the storyx is not true. You were our next door neighbour, who we could trust, but now sadly we can't.

I do hope that you could learn from your mistakes and make everything right again, the wolf didn't deserve to be boiled alive. I have also learned that the B in Mr Wolf's name didn't stand for bad, it stood for Bradley. There is one question I would like to ask you after all of this. Are you at all sorry for what you have done?

Yours faithfully

Well done (ITP)
