Dear Mr B. Wolg,

I am writing this on behalf of F.T. S visitors.
With great consideration, you are being accused of committing
household damage to our clients, The Three Little Pigs.

I am trying to bring this to your attention that you
have been committing this so called stunt to a majority
of our clients, and you Mr B. Wolg are now classed
as a criminal. The Three Little Pigs have also reported
that you have been trying to eat the hairs on their honey
chin, chin and that is illegal and taken very seriously
here at F.T. S visitors.
