

Dear Miss Smith

May I take this opportunity to thank your school for taking part in the Junior PCSO scheme again this year.

It has been a privilege to work with the 4 cadets Billy, Riley, Alyssa & Kavya. They have worked very hard in all the projects during the year. They have shown excellent team spirit in their tasks and produced some outstanding work. Some of the tasks covered include crime prevention, CCTV work, speeding issues personal safety & completing a crime scene.

I am very proud of how the youngsters have took on every task and produced some excellent work, they are all a credit to Burgh Le Marsh School

All their hard work and commitment during the last year is now recognised with their certificates & medals.

Thank you

PCSO Jayne.
