

On ~~my~~ ^{our} trip Lincolnshire Day yesterday ~~one of my~~ we ^{had}

seven activities. My favourite activity was the second one which was weaving

I liked it because I found it relaxing ~~relaxing~~ relaxing. I also liked making the rockets with the ~~royal~~ ^{royal} air ~~force~~ force but the best bit was launching them.

We did two activities before Break ~~which~~ which was at 11:05am-11:15am after break we did two more activities then it was lunch. After lunch we did ~~the~~ three activities then it was time to go back. ~~Each~~ Each activity was 30 minutes.

The seven activities we did ^{where} scaman's eggs, weaving, ~~the~~ Royal air force, time Lincoln city foundation, cotehill cheese, Aviation leaning & team and end Lincolnshire chalk stream project.

~~After~~

When we went to see the royal air force
and ~~where~~ we made paper rockets with paper

some pipe, sticks and sellotape. I called mine

glame glyer. It was very fun when we launched
them Albion's went the ~~far~~ farthest ^{he got a medal}. My group

also went to see the lincon city foundation and

we did rounders. We ~~also~~ ^{also} did ~~made~~ made some

cheese ~~because~~ with coothill cheese ~~my~~ me and
Jasmine where together and the cheese

we made was not very nice.
