to use dialogue in writing

As I entered the mysterious, foreign forest, suddenly a sound caught my eye "Ur, bella?" I froze slowly, terrified to see what would happen next.

C "Ur, bella, bella."

The sound echoed all around the misty rain forest, hidden people and animals

tense? were

are sure to hear the sound. All around was as peaceful as a spa, no noises responded to the

sound. A flock of white birds flew high above quietly.

C "Who are you and what are you doing in my forbidden area?" someone screamed behind me.

I immediately turned around and saw a tall, threatening man standing in front of a swaying

moss-covered tree.

"I'm Max and I'm looking for my parents." (11)

ai / Some great dialogue.
